2nd Annual Ride to Remember Pre-Registration

The 2nd Annual Ride to Remember is a ride (or drive) from Helena to West Yellowstone on Highway 287 – Montana’s POW/MIA Memorial Highway. There is no fee to participate in this ride, however there is a patch and t-shirt available which have a cost associated with them. This event is open to anyone who wishes to drive their car or ride their motorcycle/trike to help bring attention to POW/MIA issues. If you are driving a car, please fall in at the rear of the pack.

If you would like an event t-shirt, you must order it directly from the t-shirt vendor (see our website). There will be patches available at the Friday BBQ and the morning/day of the ride. You may also pre-order a patch/rocker when you submit your pre-registration to ensure you get one then you can pick it up at the registration table when you arrive. Just note how many patches and/or rockers you want in the provided boxes and send the correct amount of cash or on a check. Patches/rockers will be for sale at the Friday event and before and during the ride
